Questions: 1. 4-H projects entered in the fair are typically judged via a youth-judge interview process. This allows members to tell the judge about their project and is often beneficial to the placing of the project. Members are not required to interview judge, however, it is strongly encouraged. Interview judging will be held Friday, July 23. Please indicate which time frame works best for your project interview judging? We will do our best to accommodate your preference.

Required:  
☐ 9:00am-10:00am (98 spots available)  
☐ 10:00am-11:00am (98 spots available)
