MEET YOUR SUBLETTE COUNTY FAIR BOARD!

Susan Nessan, Fair Board Chair

Susan is proud to say that she is a born and raised resident of Sublette County. She graduated from Big Piney High School and attended dental school in Denver, Colorado. Her husband, Doug, and her have raised three beautiful daughters, Jamie, Jennifer, and Janelle. She has many interests in life that keep her busy, but most of all, she enjoys being with her family and friends. She has been a 4-H leader for many years and has also been involved with the 4-H Council and 4-H Foundation. She is thankful to be a part of Sublette County and its heritage.

Michael Henn, Fair Board Treasurer

Michael, a Wyoming native, has been involved in agriculture and natural resources his entire life. In 2015 Michael took the District Manager position at the Sublette County Conservation District. Michael grew up through the ranks of 4-H and FFA. Michael joined the Sublette County Fair Board in 2018 and is excited to be a part of helping put on a successful fair. In his free time Michael enjoys team roping, hunting, fishing, backpacking, and spending time with his wife Kari and daughters Karsyn and Baylee.

Nancy Espenscheid, Fair Board Secretary

Nancy was born and raised in Sublette County and has spent her life as a rancher near Big Piney. Nancy participated in 4-H while growing up — in about every project available at the time. She was also a 4-H Horse Leader for many years, which she considers one of the most fun and productive things she's done in her whole life. Her two sons participated in 4-H projects as they grew up, and now her grandkids are active 4-H members and participants in the Sublette County Fair, so the Sublette County Fair has always been an important event.

Gary Hayward, Fair Board

Gary was raised as a farm kid whose family raised cattle and row crops. While growing up Gary was active in the FFA with participation in numerous judging teams, agriculture mechanics, and various livestock projects. He graduated from the University of Wyoming with a B.S. in Rangeland Ecology and Watershed Management. Gary is married to Jennifer Hayward, a first grade teacher with Sublette County School District #1. Together Gary and Jennifer are raising three children who all love Sublette County Fair! Gary is an avid outdoorsman and loves all that Sublette County has to offer.

Kevin Hughes, Fair Board

Kevin was raised in Sublette County and started participating in 4-H as soon as he could. He married his high school sweetheart and they now have four boys who are all active in 4-H. His kids participate in the steer, heifer, sheep, and muzzle loader projects. His entire family loves fair and looks forward to it every year.

Kailey Barlow, Fair Board Manager

Kailey grew up on a ranch in Sublette County. She was active in 4-H for ten years with several different projects, including horse, market beef, breeding beef, sewing, crocheting, quilting, leadership, livestock judging, and horse judging. Kailey also served on the Wyoming 4-H State Leadership Team. After graduating from Big Piney High School, she attended and graduated from the University of Wyoming with a B.S. in Agricultural Business. Kailey is an active member of several agriculture organizations throughout the state. She also enjoys raising and showing registered Angus cattle and doing anything outdoors!

The fair board is happy to answer any questions you may have about fair! If you have any suggestions or ideas for future fairs, please be sure to talk to a fair board member.

RULES & REGULATIONS
FOR THE 2020 FAIR

ALCOHOL POLICIES FOR THE SUBLETTE COUNTY FAIR

Together the Sublette County Fair Board and Sublette County Sheriff's Office will be working to curb juvenile and underage drinking at the fair. Please review our new policy as it has changed from previous years.

- no coolers will be allowed at any event
- all alcohol products on the fairgrounds must be secured when not attended (***locked*** in a cooler, stored inside a fridge, etc)
- no glass bottles are allowed on the fairgrounds
- no alcohol is allowed in any building while 4-H or FFA events are being held
- no alcoholic beverages shall be allowed inside the building during the concert performance except those purchased from the authorized vendor within the building
- no alcohol products shall be left unattended at any time, for any reason

- Exhibitors in the Sublette County Fair are limited to youth enrolled in the Sublette County 4-H and / or FFA programs, with exceptions for the open class events.
- The Sublette County Fair Board reserves the final and absolute right to interpret these rules and regulations, and arbitrarily to settle and determine all matters and differences that may arise.
- **Ethics:** The showing of unethically fitted livestock or livestock of an ineligible age for exhibition in the class entered is prohibited. Unethical fitting will be deemed to consist of any method altering the natural conformation of any part of the animal's body. Animals showing, in the opinion of the judge, signs of having been operated upon or tampered with for the purpose of concealing faults in conformation or with intent to deceive relative to the animal's soundness, will be disqualified. Every exhibitor, in consideration of their entry being accepted by the Sublette County Fair, agrees to submit any animal so entered, to inspection by a veterinarian appointed by the management, and agrees to have such animal submitted to any tests as may be designated and requested by the veterinarian, and agrees that the conclusions reached by the veterinarian as to whether such animal is unethically fitted or over age, shall be final, without recourse against the Sublette County Fair, its management team, or any of its representatives.
- **Decision of Judges Final:** The decision of the judges will be final in all cases, except cases of formal protest or where mistake, fraud, misrepresentation or collusion, not discovered at the time of the award, is proven. In such cases, the show management or such referee as it may appoint may make the final decision. Such cases may be sent to the Sublette County Fair Board from whose decision there can be no appeal.
- **Interference With Judges:** If any exhibitor, in any way, whether the person or by the representative, interferes with the judge(s), or shows any disrespect to them or to show officials, fair management may excuse him / her from the ring and exclude him / her from further competition; exhibitor premiums or awards that may have been awarded may also be withheld.
- All animals and articles entered for exhibition shall be classified under the appropriate departments and shall be under the control of the superintendent of that department during the fair.
- The persons in charge of each department are required to take charge of all articles belonging to that department on their arrival on the grounds and see that they are arranged in their proper places.
- The fair board will take all precautions for the safekeeping of stock and other articles, but will not be responsible for any loss or damage that may occur. Exhibitors must give personal attention to their articles and at the end of the fair attend to their removal.
- Exhibitors can submit most entries online using the link at www.sublettecountyfair.com.
- Exhibits must remain in place until **July 26 at 8:00AM**.
- **Unworthy Exhibit:** Judges shall not award a prize to an unworthy exhibit. It is the intention of fair management that no premium or distinction of any kind shall be given to any exhibit that is not deserving.
- No animal or articles shall receive a prize when deemed unworthy by the awarding judges, though it may be the only one of its kind entered. When an animal or article is unworthy of first prize, it may be awarded second or third or none, as the judges deem worthy.
- Any 4-H or FFA animal shown at the fair must be owned by a Sublette County 4-H or Pinedale FFA member and entered in that name.
- Exhibitors or superintendents will not be allowed to influence the judging by comments or criticisms.
- Superintendents may create new classes of lots if there is a demand – two or more exhibits.
- Junior classes in all departments are open to all exhibitors high school age and under. When making entries for junior exhibitors, put the letter "J" after the class number. (Exception: All 4-H and FFA exhibits will be made in their respective divisions. Other youth groups may make a group entry.)
- Award winners in open class static exhibits will be selected by the judge.
- There is no entry fee unless noted on the entry form.
- "State Electrical Code" limits the fairgrounds to 20-Amp circuits. No device greater than 20-Amp is to be used during the fair.
- No bicycles or scooters or other similar items will be allowed in the buildings during fair.
- **NO GLASS BOTTLES OR CONTAINERS ALLOWED ON THE FAIRGROUNDS, UNLESS OTHERWISE NOTED.**

RULES & REGULATIONS
FOR THE 2020 FAIR, CONTINUED

RV SPACES & CAMPING DURING FAIR

The line-up will occur in the Ag Center parking lot where there will be different lanes, marked with different numbers. Please line up in these lanes single file. At 9:00AM on Sunday morning, fair staff will begin letting RVs move from the line-up area to the campground area. Campers will not be allowed onto the fairgrounds until 7:00PM.

THE STRONGMAN: JOHN BEATTY

He was seen by over 11,000,000 people on the 2010 season of America's Got Talent! He's the only strong man performer to make the live finals in Hollywood! John's journey in the world of strength began as a seventh grader from a small town in Illinois. John wanted to be strong enough to garner a starting spot on his high school football team. His father was, and is, an avid lifter and taught John the proper form that helped him start strength training. After high school, he became interested in strength sports. He began competing in powerlifting in 1991 and eventually held state and national records. He began the shift to strongman competitions in 1997, where he turned pro in 1999. He was a pro strongman competitor for ten years and broke the silver dollar deadlift world record in 2005, raising it to 1105 pounds. Around 2000, he began competing in grip strength competitions and Scottish highland games competitions. Strength has been a big part of his life from childhood. Despite his travels, he also still works full time as a nurse in an operating room at a level one trauma center. We are excited to have him back at the Sublette County Fair!

Enjoy The Strongman shows, Wednesday, July 22 through Saturday, July 25!

MUSICAL ACT: THE LINFORDS

The Linfords, a unique duo whose pure harmonies and exceptional songwriting set them apart. When Cal and Teddy sing, people stop, listen and they love what they hear. They bring a lifetime of performing experience that offers the best combination of traditional sounds and continued innovation. The Linfords started out their musical odyssey at the age of 3 at church, funerals and family reunions. Family brought them back to Wyoming and their roots and they have found their niche writing music and performing as a brother/sister duo. They have both been influenced strongly by what they grew up on, classic country and folk. Teddy spent nine months barefoot and pregnant steeping herself in her grandma's John Denver and Jim Reeves collection. When Cal came to his senses and put away the Metallica and Judas Priest, mainstream country caught his ear. Now they both draw inspiration from the New Folk and Americana genres and great songwriters like Rodney Crowell. Their voices are pure and rich and when paired with their two guitars, no matter what they sing, you will want to hear more. The Linfords are set apart by their simplicity. With them, it is all about the music!

Don't miss the music of The Linfords, Wednesday, July 22 and Thursday, July 23!

MUSICAL ACT: JARED ROGERSON

Jared Rogerson is an American singer/songwriter whose western roots have blossomed into a distinct cowboy-rock vibe. With his sonic fusion of country, Americana, rock and folk, he paints a contemporary and complicated rural West. His well-crafted lyrics contemplate themes of choice and consequence with a hard honesty ranging from heavy to lighthearted. His studio recordings and live performances deliver truth infused with a genuine authenticity his listeners deserve. Jared's passion for songwriting began at an early age when he enjoyed cleverly changing words to well-known tunes. Over time, his more serious desire of inspiring hearts and minds through the power of song was cultivated by living an adventurous lifestyle and enduring some of life's most personal successes and failures. Jared doesn't give heed to the pressure to settle within the confine of a single genre. Rather, he works tirelessly to do that which is dictated by his own DNA- creating art with music and word, and delivering that result directly to his growing fan base. With five albums under his belt and a decade on stage, Jared has pleased audiences across 12 states and on two continents. He engages his listeners on a personal level, taking them for an energy-packed ride full of original songs and the stories behind them.

We are excited to bring Jared Rogerson back for the 2020 Sublette County Fair! He will be playing on the free stage Friday, July 24 and Saturday, July 25.

ENTERTAINMENT

GROUNDS ACTS

ACTION ENTERTAINMENT

A long-time favorite at the Sublette County Fair, Action Entertainment is always a great attraction for fair guests. This year the Action Entertainment Play Zone will feature a race car game, obstacle course, slide, and sports zone! There is something for everyone at Action Entertainment's fun zone!

LANKY THE CLOWN

Lanky's Corner is one of the most energetic and colorful ground entertainment acts at our fair. Lanky has over thirty-five years of clowning experience and a large variety of services that make him a great source of comedy entertainment. He has traveled the world to bring smiles and laughter in over ten different countries. Don't be afraid of this clown, he is a great guy!

ADVENTURE QUEST EVENTS

Round up your friends and family and challenge them in a game of miniature golf or at the laser maze. The courses will be fun for fair attendees of all ages, whether you are 2 or 102. Play as many games of miniature golf as you wish or sit back and watch others play. A game of miniature golf is fun, whether you are competing for the lowest score or just spending quality time together. Miniature golf has long been a way to relax and it's the perfect thing to do to fill the down time between other events or shows. Or, if you think you can, try to make it through the laser maze without touching a beam. You might think the course looks easy, but it's harder than you think! Challenge your friends to see who can make it through with the fastest time.

BUCK WILD MECHANICAL BULL

Buck Wild mechanical bulls are all top of the line models that actually look like a bull, complete with hump and horns (all padded of course) and not just a barrel on a post. The crash pad is a 16' by 16' air mattress with 18" walls to keep anyone from sliding off the pad. Buck Wild will control the bull to the point where it's safe for a small child or they can crank it up and send folks a-flying! Challenge your friends to see who can hang on the longest or to see who has the best riding style! Buck Wild is confident that they offer the best equipment, best operators and put on the best show in town!

While you are at it, place your vote for the Open Class People's Choice Awards in the Commercial Building. The vendors will be set up from Wednesday, July 22 through Saturday, July 25. Booths may initially be set up on Tuesday, July 21 from 2:00PM to 5:00PM. Booths must be left in place until closing each day. Absolutely no motor vehicles of any type will be allowed in the vendor area until after all attendees have left each evening.
- Vendors must operate their booth July 22-25. The fair board and staff will only select a limited number of vendors for the optional hours. If you would like to be considered for this, please submit an application ASAP. We are in need of at least one vendor for the morning of Friday, July 17 for static exhibit judging, the evening of Tuesday, July 21 during the dog show and livestock check-in and Sunday, July 26 for exhibit release. The same vendor is not necessarily needed for the three optional dates. Breakfast vendors may open as early at they wish, but it is strongly recommended that they open by 7:30AM.

- The booths are approximately 10'x10'. This space can be reasonably altered to your needs.
- The Sublette County Fair Board is not responsible for any lost, stolen, or damaged articles.

- Booths and vendors should always be clean and presentable.
- Vendors must use safe food handing practices.
- Only authorized vendors are allowed to serve alcohol. Any unauthorized vendor caught serving or distributing alcohol will lose all vending privileges.
- Space inside is limited as the static exhibits will also be in that building; however, this is a great space for vendors who would like to leave their items on display and have them locked up every night. The indoor booths will close at 7:00PM instead of 9:00PM.
- All rules and regulations, written or verbal, set by the fair management must be followed and failure to comply will result in refusal of space at all future fairs.

- The Sublette County Fair Open Class static exhibits are judged using the modified Danish judging system as outlined below.
- *Excellent (Purple):* A purple is given to those entries or members who most nearly meet the standards established for the particular class or level of performance. Excellent does not indicate perfection, but is a wide grouping indicating a high degree of achievement toward the elements in the standards for the exhibit.
- *Good (Blue):* A blue is given to those exhibits or individuals who rank good in relation to the particular standards or expected achievement of the class or contest. Either the general level of the accomplishment is less than excellent or enough specific shortcomings are found to cause the placing to drop from excellent to good.
- *Fair (Red):* A red is given to those exhibits or contestants who, upon evaluation, are found lacking and rate only average, acceptable, or satisfactory rating for the standards established.
- *Poor (White):* A white award may be given if exhibits or individuals who, for one reason or another, fail to produce that level of achievement which can be reasonably expected in relation to the specific class or performance in which they are entered.
- In addition to the above awards, purple and lavender rosettes may be awarded. It is important to note that if the judge feels the quality of the project does not deserve a rosette, he /she does not have to award. For example, if there is only one entry in a division, that does not automatically qualify it for a purple rosette.

The 4-H Leaders Council policy that parents and member should be aware of:

CODE OF CONDUCT

- Members should not use alcoholic beverages or other drugs at any 4-H function. Aspirin and other similar products and drugs prescribed by a physician are exceptions.
- Violation by a member shall result in the loss of 4-H privileges for the remainder of the 4-H year, including exhibiting at the county fair, participating in the livestock sale, and attending the state fair.
- Adult volunteer leaders should adhere to the same high standard expected of the members.

CHAPERONING POLICY

- Chaperones for county functions must be recognized 4-H leaders. A recognized leader is an individual who has successfully completed screening, leader training, and signed a 4-H Leader Agreement form (effective October 1 of the current year). Non-recognized 4-H leaders must not have unsupervised access to 4-H youth. This is particularly important for any overnight functions.

4-H AND FFA LIVESTOCK EXHIBIT RULES

- All 4-H and FFA entries must be submitted online, following the link at www.sublettecountyfair.com no later than 11:00PM on Wednesday, July 1, 2020. Youth needing assistance with the online entry system may receive help at either the fair office in Big Piney or the Extension Office in Pinedale.
- Any livestock including horses, rabbits, or chickens shown in the youth or open shows and staying overnight must have a health-check within ten days of the respective animal show. If anyone sees an animal with questionable health issues, the animal may be quarantined on the grounds until examined by a vet. The owner of the animal may be subject to any vet fees. Lisa Jones, DVM will make the final decision regarding the health of all animals. The fair board will not be responsible for any related expenses.
- 4-H and FFA swine exhibits must be on the grounds by 9:00AM on Wednesday, July 22. All other 4-H and FFA livestock exhibits including poultry and rabbits (excluding horses) must be on the grounds by 11:00AM Wednesday. Exhibitors violating this rule will not show or participate in the livestock sale. Exceptions are by emergency only. Decisions are made by at least five livestock committee members at weigh-in.
- Market swine will begin weigh-in at 9:00AM on Wednesday, July 22, followed by sheep and goats. No sheep and goats will be allowed in the wash area until swine showmanship has begun. Market beef will begin weigh-in at 11:00AM.
- Exhibitors must have proof of ownership (bill of sale) prior to fair. Brand inspections are required for beef, sheep, and goats. A bill of sale is required for swine.
- All sheep and goats (including wethers) must be identified with approved USDA Scrapie identification which includes an official USDA Scrapie Ear Tag OR LEGIBLE Tattoo accompanied by registry paperwork or a microchip with official veterinary application certification and reader.
- No bulls, boars, or buck goats allowed in showmanship.
- All exhibitors must show their own animal at both the Sublette County and the Wyoming State Fair. If a youth has multiple animals within a class at either venue, then the youth may designate FFA or 4-H youth to assist in exhibiting the animals. Furthermore, any youth exhibiting livestock at either the Sublette County or the Wyoming State Fair must be the animal's primary caretaker for the entire duration of the event. All pens must be cleaned and animals fed and watered on a daily basis by the exhibiting youth. Failure to do so will result in removal of the unattended animals from the fairgrounds.
- The Fair Veterinarian shall make the final determination at any time during fair when an animal is deemed unfit to be on fair grounds due to health issues. At such time a youth is informed that an animal must leave the fairgrounds, the fair veterinarian shall be accompanied by a fair board member and the FFA advisor and/or 4-H Extension Educator.
- All animals will remain tied or penned in the buildings.
- Animals used in showmanship must be owned and fitted by the exhibitor.
- There will be four classes of showmanship: Senior 4-H and FFA, Intermediate 4-H, Junior 4-H, and First Year 4-H.
- There will be no weigh-backs except at the discretion of the livestock committee. If any contestant uses artificial means, such as drenching, to make an animal meet requirements, that individual will be barred from competing at the fair. Should an animal not make weight, the contestant will still be allowed to show in a feeder class at the fair, but not to sell.
- Market steer classes will be determined by weight.
- It is recommended that there will be up to ten entries in a livestock class. Beyond ten entries, the entries will be broken such that there will be a minimum of five in each lot. If the class is divided by number, the division will be determined on scale order.
- Exhibitors must declare animals destined for state fair Friday evening, July 24, 2020 by 5:00PM.
- An individual animal may be shown in more than one class providing the animal/exhibitor is eligible for the class.
- Market hogs weighing greater than 315 lbs. will be shown in a special class that is ineligible for the championship round.

4-H AND FFA LIVESTOCK EXHIBIT RULES
CONTINUED

- Market hogs weighing greater than 315 lbs. may sell in the sale ring only if the youth agrees to be paid only on 315 lbs.
- Any livestock deemed uncontrollable by the superintendent in charge will be excused from showing on the fairgrounds depending upon the severity of the situation.
- Youth are not allowed to advertise private treaty animals at the fair.
- STATE FAIR EXHIBITS: Only bona fide Wyoming 4-H members are eligible to compete for prizes offered in the 4-H Division of State Fair. A member must be enrolled in the project (at the State 4-H Office) in which he/she exhibits and the exhibit must be the result of the 4-H member's project during the current 4-H year. To be eligible for county support (entry and expense coverage) livestock projects must have received a purple or blue ribbon at county fair.
- Market Livestock Tagging: All youth entering market livestock in the Sublette County Fair must have that animal tagged by the appropriate program (4-H/FFA) by the tagging deadline for that species (Beef: February 1, 2020) (Sheep, Goats, Swine: July 1, 2020). Youth are allowed to tag as many animals as they wish. Additionally, a "floater" animal may be tagged as a family animal with a listing of all children's names included with it. The family animal can be tagged for all children of the family as long as the animals are being raised together. The animal needs to be entered for show by each of the children by the fair deadline. At weigh-in time, the family can designate which child that animal is to be assigned to permanently. **This animal is NOT eligible for state fair if tagged for all children.** Alternatively, the "floater" animal may be tagged in an individual youth's name from the family, but still utilized by another youth in the family if necessary. In this case, the animal is only eligible for state fair if it is taken to state by the youth whom it is tagged under. If another family member utilizes the animal, it is not eligible for state fair. All other rules still apply to the family animal (i.e. tagging dates, weights, ownership, etc.).
- There will be a feeder class for all underweight animals at fair. Those animals will not be eligible to sell in the Junior Livestock Sale, but they will be judged in the feeder class as prospect animals and receive ribbon placings as such.
- Fitting Rule: A 4-H or FFA member is expected to fit their own animal at fair. However, in the interest of safety and the educational mission of the 4-H and FFA programs, a 4-H/FFA member may be assisted by others (i.e. member, parent, other adult). Assistance is defined as a learning situation where the teacher (helper) is teaching the 4-H/FFA member a technique in fitting or showing. The teacher is only allowed to show how; the member is expected to perform the majority of each technique and/or skill required. If the fair committee decides there is a violation of this rule, it may result in the disqualification of the animal and the forfeit of premiums and ribbons. If a 4-H/FFA member is found to be in violation of the fitting rule, he/she will not be allowed to show in any 4-H/FFA division at fair, including the showmanship contests. The fair committee for each livestock division will be the two livestock superintendents for the species, a fair board representative, the FFA advisor, and 4-H educator.

17) All swine, sheep and goats sold through the Junior Livestock Sale will be left on fairgrounds property and hauled to slaughter after the sale unless other arrangements have been made with the buyer. No other of these species may be left in the livestock barn after the sale.

- All dogs must be at least six months of age by May 1 to compete at the 4-H Dog Show and one year of age by May 1 for agility classes.
- Youth should have a copy of their 4-H Dog ID form submitted by May 1 to the Extension Office.
- All animal entries of bonafide Wyoming origin must be accompanied by an official health certificate issued at the point of origin by an accredited veterinarian. Certificates for dog entries must show current immunization as per state veterinary guidelines.

- Females in season will be allowed in classes. However, they will go through at the end of all classes.
- Spayed, monorchid, and neutered dogs may be shown without judging discrimination.
- Dogs must be clean and well groomed.
- The show committee reserves the right to ask anyone violating these rules to leave.
- No class will be held up for a contestant in a different show.
- Entries for rally and agility classes will need a current Wyoming 4-H Jump Height card at check-in to verify correct class entries.

Division 1517: Dog Show Obedience

RULES

- A 4-H member may compete in only one obedience class per dog, with a total maximum of two entries (dogs). Their first dog is referred to as the "A" dog. The other is referred to as the "B" dog for class entries.
- The first-year beginner novice class is for members who are in their first year of the dog project, not the first year with a new dog. It is designed as a training class for members who do not feel competent to start in the On Leash class. Members may compete in the first year class only once.
- An exhibitor who competes in the A groups with their first dog stays in the A groups with that dog for each level. The same is true for the B groups and levels. A member advances from On Leash A to Novice A. Same applies for moving in B classes.
- A 4-H exhibitor with a dog shown previously in obedience classes by another 4-H member or a dog that has a title from another organization or has at least three qualifying scores from the designated annual county 4-H show must show the dog by these guidelines:
  - Junior and Intermediate age exhibitors may move back or down one level
  - Senior age exhibitors must show the dog at the highest level the dog has achieved
- A dog receiving a qualifying score of at least 170 points at the designated annual county 4-H show may advance the following year to the next higher class but must advance after receiving 3 qualifying scores from the designated annual county 4-H show. Once the higher level of obedience is selected for the dog, the member may not drop back to the lower level with the same dog.
- High in trial will be calculated on the basis of the raw qualifying score plus five additional points with each increase in level of difficulty.
- Score Sheets: The Wyoming 4-H dog score sheets were designed for the benefit of 4-H members. They are intended as guides for judges. Judges use their discretion in deciding the seriousness of errors.
- All dogs must enter and leave the show ring and compete with a leash.
- Bait and/or toys are not allowed in the obedience competition.
- Dogs soiling or urinating in the ring during judging will be disqualified and receive no score.
- Males and females will be shown in the same class. Females in heat will be shown last in the class and must be kept away from the obedience ring until call time.

- Classes 012-019 will be judged according to AKC standards, but it is not necessary that dogs be registered; they must be purebred - both animal parents of the same breed.
- Classes 020 and 021 are for cross-bred dogs (parents of different breeds) and will be judged according to the predominant breed characteristics and/or soundness, gait, condition, and grooming.

4-H STATIC EXHIBITS
DIVISIONS 1816 TO 1873
FRIDAY | JULY 17 |9:00AM
COMMERCIAL BUILDING

- All 4-H members bringing static exhibits to fair are encouraged to attend an interview with the judge to present what they learned. Interview judging will begin at 9:00AM on Friday, July 17, 2020. Each member will be designated a specific time to meet with the judge and as much as possible should adhere to that schedule. If a member is unable to attend interview judging they may still have their exhibit judged, but should make appropriate arrangements to have the item to the Commercial Building no later than 11:00AM on July 17.
- Due to the absence of interview judging at the state fair, the accompaniment of a brief explanation with your project may help the judge when assigning a ribbon placing. Points to consider may include: process, tools used, skills learned, goals achieved, and additional help from others.
- Because 4-H promotes a learning experience associated with project enrollment, entries are evaluated within the context of the division in which they are entered (i.e. entry in leathercraft is evaluated on leathercraft skills).
- Posters, pictures, artwork, and photography exhibits should come with a method for hanging them on hooks attached to pegboard. If the items cannot be hung, they will be displayed on the floor or table.
- Display boards or poster boards must be able to stand on their own on a table.
- Any exhibit that puts the safety of others at risk of injury or harm, as deemed by the 4-H Office, may not be allowed to be publicly displayed and/or judged.
- Oversized exhibits will be displayed as space permits.
- 4-H exhibits are placed as judged using the Danish system of recognition (purple, blue, red, white). Additional awards or recognition are available pending donor support.
- All non-livestock exhibits must be in place in the 4-H department by 11:00AM on July 17, 2020.
- All non-livestock exhibits will be released from 8:00AM to 2:00PM on Sunday, July 26 or by appointment the week after fair. **Exhibits will not be released early.** Any exhibits not picked up will be thrown away or donated elsewhere.
